- Two Professional References Minimum
- Interview
- Contact hremmc@northernlight.org

Certified Surgical Technology

Introduction

A certified surgical technician plays an integral role in each and every procedure performed in our operating suites. This role is challenging and yet very rewarding, particularly here at Northern Light Eastern Maine Medical Center. As a result, we are embarking on a new trial to provide advancement opportunity to employees at the Medical Center. We know our employees are some of the best and brightest that Maine has to offer.

Scholarship Details

- Full tuition
- Up to \$500 for books

Field of Study

- Students enrolled in the Eastern Maine Community College (EMCC) Certified Surgical Technology Program

Eligibility Requirements

- GPA in good standing
- Three-year commitment to Northern Light Eastern Maine Medical Center after completion of the program

Application Process

- Cover letter/letter of interest

Certified Nursing Assistant Apprenticeship Program

Introduction

If you are looking for a new career in patient care, consider applying for a paid apprenticeship program to become a Certified Nursing Assistant (CNA) at Northern Light Eastern Maine Medical Center. A CNA helps patients with direct health care needs, often under the supervision of a nurse. CNAs work directly with patients and nurses, helping with the many physical and complex tasks for patient care.

Program Details

- Spend 16-24 hours in class in our in-house training program, learning hands on skills at the hospital. For the other 16-24 hours, you would be working directly with patients on our inpatient units helping them do daily life activities, observing patients who need a companion, and interacting with patients.
- Paid \$17.75/hour for all time spend in class and all time spent doing hands on work in the hospital. As well as paid time off, healthcare benefits, retirement benefits, and all other benefits available to full time Northern Light Eastern Maine Medical Center employees.
- Once you receive your CNA license you will be promoted to a CNA at our Medical Center, this comes with an increase in pay and access to a sign on bonus along with access to the CNA career ladder to continue to grow your pay and skills

Eligibility Requirements

- 18 years of age or older with a high school graduation or equivalent
- Participate in pre-admission interview
- Pass pre-employment background check
- Willing to work a 4-day work week while in training
- Commit to Northern Light Eastern Maine Medical Center for three years post training

Application Process

- Visit northernlighthealth.org/careers for application
- Contact hremmc@northernlight.org for upcoming program and application dates

Medical Group Leader

Introduction

Northern Light Eastern Maine Medical Center is pursuing students which are receiving a course of education which will provide them with the necessary skills for employment in a leadership role within the Medical Group.

Scholarship Details

- Northern Light Eastern Maine Medical Center agree to loan student funds to cover tuition and associated fees for a maximum of five years.
- Recommended student enrolls in a maximum of 2 courses per semester towards completion of bachelor's degree.
- We agree to forgive student for funds loaned as agreed in the signed service agreement.

Eligibility Requirements

- Continue to fulfill expectations and responsibilities of the student's full-time employment
- Maintain 3.0 GPA
- Must meet with practice manager and/or practice director once a month for the duration of enrollment

Application Process

- For more information on how to apply, contact Patricia Wilson at pwilson@northernlight.org

Medical Radiography

Introduction

Medical radiographers are health professionals who combine technical knowledge with radiographic and anatomical knowledge to obtain diagnostic images of all parts of the human body.

Scholarship Details

- Full tuition and exam costs
- Paid required books up to \$500

Eligibility Requirements

- Currently enrolled in an accredited Medical Radiography Program
- Eligible for certification within 2 year
- Students with strong academic standing/GPA
- Quality work experience with good recommendations
- Current Employees are strongly encouraged to apply

Application Process

- Three Letters of recommendation
- Transcripts
- Letter/Statement from school recommending you for the program, confirming candidate is in good standing and estimated date of graduation.
- Please submit a letter of interest to Jennifer Sewell, Manager, Medical Imaging, Northern Light Eastern Maine Medical Center, at jsewell@northernlight.org

Nurse Externship Program

Introduction

Northern Light Eastern Maine Medical Center offers a paid Student Nurse Externship program for nursing students. As a student Nurse Extern, you will be introduced to an environment that fosters excellence in all areas of nursing. This 10-week extern program provides nursing students with an educational opportunity to improve their nursing skills in a collegial relationship with RNs while at the same time providing employment. It is an opportunity to gain a better understanding of the professional practice of nursing in the clinical setting.

Scholarship Details

- Ten weeks paid employment
- Enhance clinical competence and gain clinical confidence
- Expand critical thinking and organizational skills
- Professional developmental sessions
- Opportunity to develop professional relationships beyond nursing school
- Explore inter-professional relationships with nursing
- Engage with nursing leaders in various roles
- Examine the role of nurse driven committees in the organizational structure

Eligibility Requirements

- Successful completion of junior year of an accredited BSN program
- Must be in strong academic standing and not on academic probation
- Have successfully completed 180 hours of nursing content
- Must be active in the State of Maine CNA registry
- Current American Heart Association Basic Life Support certificate

Application Process

- Two academic references from nursing faculty
- Minimum of one employer reference
- Current resume
- A letter of interest
- Choose one question below to answer:
- Describe your first hands on clinical experience in nursing school. What fears did you have? What surprised you the most? What were you most proud of?
- Describe the last time you made a mistake or experienced failure. What did you learn and what steps have you taken to ensure it won't happen again?

Respiratory Therapy

Introduction

Respiratory therapists are specialized healthcare practitioners trained in critical care and cardio-pulmonary medicine to work therapeutically with people suffering from acute critical conditions, cardiac and pulmonary disease.

Field of Study

- Enrollment at Kennebec Valley Community College

Scholarship Details

- Full-Tuition
- Books up to \$500

Eligibility Requirements

- Commit to five years of employment after completion of the educational and licensure requirements
- Complete all training requirements
- Must maintain a 3.0 GPA

Educational Loan Reimbursement

Eligibility Requirements

Employees in positions of strategic need may receive up to \$5,000 per calendar year and up to \$35,000 maximum (over 7 years) to pay toward outstanding student loan balances for qualifying programs.

Eligible positions for the Educational Loan Repayment Plan may be reassessed periodically, and for the current calendar year, the positions include:

- Certified First Assists
- Certified medical Assistants
- Certified Nurse Assistants
- Certified Surgical Technicians
- Licensed Practical Nurses
- Medical Assistants
- Registered Nurses
- Respiratory Therapists
- Sonographers

Application Process

- The application period is communicated via email in the spring. Completed applications must be submitted by July 1 for reimbursement in the first full pay period in November.
- Applications must be signed by an approving leader and department head or above and include a copy of the current outstanding educational loan balance. Applications are submitted to NLHTuitionReimbursement@northernlight.org, or faxed to (207) 973-7865.
- The HR Service Center will process the application and send out email notification of eligibility or of the application being incomplete (missing signatures or proof).
- Plan administrators will review all applications to determine reimbursement for the calendar year.
- Reimbursement decisions on the total amount to be paid to each eligible applicant will be communicated by the Human Resources team in late fall for reimbursement in the first full pay period in November.
- After reimbursements are received, recipient employees must submit proof of payment(s) toward their outstanding educational loan balance that equals the post-tax total reimbursement amount received. Proof of payment is submitted to NLHTuitionReimbursement@northernlight.org, or faxed to (207) 973-7865.
- Proof of payment(s) toward the educational loan (even if in deferment) must be received by December 31st and must include the following:
 - Must equal the post-tax reimbursement amount received by the employee, this can include regularly occurring payments throughout the year and/or lump sum payments.
 - Must be within the calendar year reimbursed

Tuition Reimbursement

Eligibility Requirements

Northern Light Health encourages employees to pursue additional formal education in an effort to enhance knowledge, skills, and abilities, thus improving potential for future opportunities within the organization.

Northern Light Health offers an annual education benefit in the form of tuition reimbursement of a maximum of \$3,000 per eligible non-leader employee and \$5,000 per eligible Leader employee (\$1,500 and \$2,500 respectively for part-time benefits Eligible Employees). The benefit can be used for either Matriculating or Non-matriculating courses offered by an accredited institution. Reimbursement is available on course by course base, at the discretion of employee's Leader approval. Tuition reimbursement covers tuition expenses only

Employees who have been in regular full-time or regular part-time benefits eligible positions for a period of at least six months and be in good standing as an employee. Students must maintain a 2.0 GPA or higher in approved course.

Application Process

- Eligible Employees may contact the HR Service Center hremmc@northernlight.org to learn about tuition reimbursement and to obtain a Tuition Reimbursement Application. The necessary documents are also available on the HR Service Center Intranet Portal. One application should be submitted for each class.
 - The completed application is to be submitted to the Eligible Employee's Leader who is responsible for reviewing the request and verifying that: the course meets the requirements stated in the tuition reimbursement policy #17-132
 - Funding is available, and the employee is eligible for tuition reimbursement as defined in the policy.
- The Leader is to complete the Leader Approval section
- Thirty (30) days prior to the start of the course, the Leader or Eligible Employee is to forward a scanned or faxed copy of the completed application to the HR Service Center, using the email address: NLHTuitionReimbursement@northernlight.org for review and recordkeeping.
- The HR Service Center will send an acknowledgement to the Leader and to the employee.

Internships

Clinical Pastoral Education Program

Program Details: This ACPE-accredited Clinical Pastoral Education (CPE) program is designed primarily for theological students, clergy, qualified laypersons, and/or those preparing for professional chaplaincy. This is a 26-week, part-time Level I – II CPE program, designed to accommodate those in a graduate academic program or working in a part-time job with flexibility in their hours. The total in-person hours required to earn ACPE credit for this unit equals 400, of which a minimum of 250 hours is spent in direct patient care, plus 50 hours in other clinical support practice and a minimum of 100 hours in educational activities. Weekly reading and writing assignments are also required.

Admission Requirements: Our training program is open to anyone interested in spiritual care. Applicants must have a high school diploma, a bachelor's degree or equivalency, and some theological education and ministry experience. Any request for exceptions to these requirements should be directed to Rev. Dr. J. Bernard Richardson, Director of Spiritual Care and ACPE Certified Educator. Applicants will be assessed by the ACPE Certified Educator, the CPE Professional Advisory Group, and other staff in an interview for their readiness for clinical learning, suitability for functioning in a spiritual care role, and capacity for serving according to the medical center and department's expectations. Pre-requisites also include: a completed CPE application form and application fee and eligibility to be a volunteer at Northern Light Eastern Maine Medical Center. Applicants must be COVID-19 vaccinated.

Tuition: \$700.00 Tuition | Application Fee: \$50.00 | \$150.00 Deposit

Application Process:

- Contact our Spiritual Care Department at 207-973-8290

Professional/Academic Non-Clinical Internships

Internships give students the opportunity to gain valuable applied experience and make connections in professional fields they are considering for career paths; and give employers the opportunity to guide and evaluate “talent.” One of the biggest advantages is the opportunity to see in addition, an internship is a semester (fall, spring, summer) in duration, may or may not carry credit, may be paid or unpaid.

Through collaboration with Volunteer Services, Northern Light Eastern Maine Medical Center’s vision is to create an ongoing pathway for the development of community growth avenues for current and future employees through professional internship opportunities to create a mutually beneficial experience for both the employer and student intern.

Currently we offer field placements in Volunteers Services, Human Resources, and Patient Experience.

If you are interested in learning more about these opportunities or customizing your own internship experience, contact:
