Welcome to Northern Light Health

and thank you for choosing us.

At Northern Light Inland Hospital our promise is to make healthcare work for you, and that means we are committed to providing you with high-quality care that meets your individual needs. We also want getting care to be as easy and straight forward as possible, no matter what kind of care you need.

This booklet is a collection of information that we've found makes navigating healthcare at Inland Hospital easier - we hope you find it helpful. Please reach out to your healthcare team if you have more questions, we're always here for you.

Thanks again for allowing us to be your partner in health and wellness!

Sincerely,

A handwritten signature in black ink that reads "Tricia Costigan". The signature is fluid and cursive, with the first letters of "Tricia" and "Costigan" being capitalized and prominent.

Would you like to thank a Northern Light caregiver?

The Grateful Patient and Family Program at Northern Light Health provides you and your family with an opportunity to express your gratitude to those who have made a difference in your care through monetary donation. Every dollar you donate will be used to support the mission of the location you choose.

Visit northernlighthealth.org/honor and complete the online form.

Your experience matters

You may receive a survey asking you about your visit. Please complete the survey. We value your feedback and use it to provide the best possible care for all of our patients.

The survey:

- Is anonymous, there are no links associating the person to the individual survey.
- Should only take five minutes to complete.

How to request medical records

You can request your medical records from one or more of any Northern Light Health facility or hospital at <https://northernlighthealth.org/HIM> or by calling Inland's medical records department at 207.861.3150.

Patient and Family Advisory Council

Northern Light Health has a Patient and Family Advisory Council that helps us improve the patient experience in many ways. During regular meetings, real patients give us regular feedback about their office visits, registration, patient communications, staff interactions, and much more! If you're interested in joining the Patient and Family Advisory Council, please contact your primary care office for more information.

📅 Annual Visits

It's important for you to schedule an annual check-up with us so that we can be aware of any health changes over the year. Immunizations, physicals, and other regular medical care, will help you get healthy and stay healthy - and that's a goal we share together!

The Importance of an Advance Directive

An advance directive is a form that you complete that tells your provider and others what your medical wishes are if you become unable to speak for yourself. We understand that these conversations can be difficult, and we encourage you to start them early so your loved ones know what matters most to you.

We have resources to help get you started, ask your practice for a copy of the Advance Directive form or visit northernlighthealth.org/Legal/HIM/Advance-Directive to download one.
