

An **easy** way
to get a flu shot
for your children

Pediatric Flu Shots

Provided by Northern Light Pediatrics

Saturday, October 26 from 9 - 11 am

Northern Light Health Center
23 North Street, Presque Isle

- Children must be between the ages of 6 months and 18 years.
- The clinic is for children, but we will vaccinate adults with them if desired.
- *Please bring your insurance card with you.
- If your child is not feeling well or experiencing any infectious disease symptoms, please do not come in for a shot this day.

*The shot itself is free; however, we will be submitting a small fee for administering the shot to your insurance company. MaineCare and most insurance plans will cover this fee with no cost to you.
