Northern Light Women's Health

Northern LightSM

Inland Hospital

Welcome!

We hear you

At Northern Light Women's Health, you can count on respectful, considerate, and attentive care. We believe that by listening first, then sharing with you all of the options available, we can help you make the best, most informed decisions about all of your healthcare needs.

At every step of the way, your wishes, needs, and concerns shape the care we provide in partnership with you and your family.

Community Health Navigator Program

Our Community Health navigator connects you and your family with community resources and support for wellness, medical needs or counseling, and life's challenges: transportation, financial matter, housing, safety in the home, food access, or support groups.

Bridgette Gemelli

Community Health Navigator
