Please Wear a Face Covering Beyond This Point

Northern Light Health is asking everyone who comes to our facilities (over the age of two) to wear a face covering.

This covering can be a face mask, bandana, or scarf.

Face coverings help stop the community spread of COVID-19. Even if you do not have symptoms, you should wear a face covering. It's possible to transmit COVID-19 even if you do not feel sick.

If you do not have a face covering, please ask if one can be provided when you enter.

Masks show you care.

Face coverings help prevent virus transmission between people. They work best when everyone is wearing them. Be considerate of your neighbors, friends, and local businesses trying to safely reopen. Wear a mask when you go out.

zoom MEETING SERIES

Maine welcomes you!

SAFE RETURN TO BUSINESS

A Zoom conference series presented by Northern Light Health

Learn how to support your employees and your customers to make a successful return to business.

If you want your employees and your customers focused on why they're at your business, instead of on whether they'll get sick, you'll want to attend our series.

Our panels of experts will cover the topics and contingencies you need to prepare for to have your workforce present, engaged, and safe.

Topics will include:

- Risk mitigation in school and childcare settings
- Strategies for addressing youth anxiety
- Health literacy

WEEK 8 - Thursday, July 30 at 11 AM

A FOCUSED DISCUSSION

Considerations for reducing risk for COVID-19 and youth anxiety in schools and youth serving organizations

zoom MEETING ID:
924 7052 7067

Our Panelists:
