Safe Return to Business Series
A COVID-19 Round Table Discussion

SPECIAL INSTRUCTIONS:
To enhance your view:
1. Select speaker view (upper righthand corner)
2. Under video (lower left hand) go to settings and select hide non-video participants
Legal Disclosure:

The Coronavirus pandemic is an ongoing, continuously evolving situation. Northern Light Health encourages everyone to follow federal and state governmental guidance and mandates.

Northern Light Health does not know the particulars of your situation, so the information presented today is general in nature and is based upon Northern Light Health’s own experience, which may or may not apply in your specific situation, and which may be revised as we learn more about the Coronavirus.

Accordingly, following any guidance Northern Light Health presents today in no way guarantees that you, your employees and/or your customers and clients will not contract or spread the Coronavirus.
What a Business Needs to Safely Open

Please Wear a Face Covering
Beyond This Point

Northern Light Health is asking everyone who comes to our facilities (over the age of two) to wear a face covering.

This covering can be a face mask, bandana, or scarf.

Face coverings help stop the community spread of COVID-19.

Even if you do not have symptoms, you should wear a face covering.

It’s possible to transmit COVID-19 even if you do not feel sick.

If you do not have a face covering, please ask if one can be provided when you enter.
For more information or to submit a topic for a future Zoom Conference:
