

This list is provided to comply with Maine law, 22 MRSA § 1718-B, requiring health care entities to maintain a list of prices and billing codes for services provided at least 50 times in the year previous – 2018. Price estimating tools are available from the Maine Health Data Organization [www.comparemaine.org](http://www.comparemaine.org). This tool shows the average cost of common healthcare procedures at different facilities in Maine.
