- Northern Light Mercy Gastroenterology
- Northern Light Mercy Wound and Hyperbaric Medicine
- Northern Light Mercy Endocrinology and Diabetes Care
(Moving to medical office building in early 2022)

Second Floor

- Outpatient Surgery

DIRECTIONS

to Northern Light Mercy Hospital on Fore River Parkway

Please note that GPS will navigate you to the campus. However, navigation to the specific building addresses may not always be accurate. Additional directions are below to help supplement GPS navigation if needed.

From Points North:

Take I-295 southbound to Exit #5A. At the end of the ramp, you should be in the left lane. Take a left at the traffic light and remain in the left lane, continuing straight onto the Fore River Parkway. Up on the left is the main entrance to the hospital and medical office building followed by the next campus entrance (intersection with a light), which is closest to the outpatient specialty and surgery center.

From Points South:

Maine Turnpike North (I-95) to exit 45; take I-295 northbound to Exit # 4 (U.S. Route 1). Cross the Veteran's Bridge. At the traffic light you should be in the left lane to turn left onto Fore River Parkway. Taking a right at the first traffic light will bring you closest to the outpatient specialty and surgery center. If you go past this entrance to the next one up on the right, you will enter the campus closest to the hospital and medical office building.

From South Portland:

Go over the Casco Bay Bridge, through the traffic light at the State Street intersection, and stay in the right lane. Turn right onto Park Street. At the stop sign, take a right onto Commercial Street. For 1.2 miles, head west on Commercial Street, which becomes Fore River Parkway as you approach Veteran's Bridge. At the intersection before Veteran's Bridge, keep to your right at the light to continue onto Fore River Parkway near the hospital campus. Taking a right at the first traffic light will bring you closest to the outpatient specialty and surgery center. If you go past this entrance to the next one up on the right, you will enter the campus closest to the hospital and medical office building.

From Points West (Congress St. and Rte. 22):

Heading east on Congress Street/Route #22 into Portland, turn right onto Fore River Parkway at the traffic light. Go straight through the next set of lights and stay in the left lane to continue straight onto Fore River Parkway. Up on your left is the main entrance to the hospital and medical office building followed by the next campus entrance (intersection with a light), which is closest to the outpatient specialty and surgery center.
