

Northern Light Health Covered Providers

Northern Light Health Hospitals regularly updates its provider list in an effort to ensure the list remains accurate and up-to-date. However, there may be times when this list has not been updated to include a new provider or to reflect a change in a provider's status as covered or not covered by this policy. Northern Light Health recommends that individuals consult with a Northern Light Health financial counselor whenever possible to confirm whether information about a particular provider is accurately reflected below.
